2             The enclosed replacement sheet replaces the original sheet containing Figure 1. As  
3     indicated in the enclosed annotated drawing sheet, Figure 1 is amended to add reference number  
4     39 which was inadvertently omitted from the original drawing.

REMARKS

The Applicant requests reconsideration and allowance of claims 1 through 20 in view of the above amendments as to form and the enclosed Terminal Disclaimer.

## THE CLAIM AMENDMENTS

The amendments to the claims correct antecedent basis or dependency errors and are not intended to affect the scope of the claims.

## REJECTION UNDER OBVIOUSNESS-TYPE DOUBLE PATENTING

In response to Examiner's rejection of claims 1 through 20 under the judicially created doctrine of obviousness-type double patenting, Applicant submits herewith a Terminal Disclaimer in compliance with 37 C.F.R. § 1.321(c). A Credit Card Payment Form (PTO-2038) is also attached herewith, in payment of the filing fee for the Terminal Disclaimer.

## 1 CONCLUSION

2 The Applicant believes the application is now in condition for allowance with Claims 1  
3 through 20. Should the Examiner feel that any issue remains as to the allowability of these  
4 claims, or that a conference might expedite allowance of the claims, he is asked to telephone the  
5 undersigned attorney.
